ABSTRACT

This document contains duplicates of the completed single page questionnaires sent in January 1972 to State Departments of Education. These pages are arranged in alphabetical order by State, and provide information as to persons in the State Departments of Education responsible for the development of year-round education, or one to write for further information; the minimum number of days required for a school year; and if the State provides support for the operation of school longer than the required number of days in the form of summer school or approved year-round programs. Appendixes contain lists of local schools and the persons to contact in (1) schools that operated a year-round education program for all or part of their students during the summer of 1972, (2) schools that expected to operate a year-round education program during the summer of 1973, and (3) schools conducting feasibility studies or otherwise seriously considering the adoption of year-round educational programs. APPENDIX A

SCHOOL SYSTEMS THAT OPERATED A YEAR-ROUND EDUCATION PROGRAM IN THE SUMMER OF 1972

California

1. Bear Valley Unified School District
41220 Park Avenue (P. O. 1529)
Big Bear Lake, California 92315

Mr. Ralph R. Bell, Superintendent

K-12, Enrollment 1,483
Bear Lake Middle School (E:504), grades 5 and 6, will be on a 45-15 staggered cycle plan. Middle School will not have to go on double sessions. Eases overcrowdedness for at least one year. During 1971-72, district experienced a growth of 12-13 percent. District intends to have all schools year-round July 1973.

2. Berryessa Union Elementary District
935 Piedmont Road
San Jose, California 95132

Mr. F. Gregory Betts, Superintendent

K-8, Enrollment 6,000
The district is in a rapidly-growing suburban district in San Jose's east side. All of the district's pupils have never been housed on a single session basis. Ruskin Elementary (E:1,000) (K-6) will be on a 45-15 staggered cycle approach. Pupils within walking distance of school; school partially air-conditioned. Approximately $20,000 of district's funds will be used to implement the program.

3. Corona-Norco Unified School District
300 Buena Vista Avenue
Corona, California 91720

Mr. Charles S. Terrell, Jr., Superintendent

K-12, Enrollment 16,250
The district is not under immediate building pressure but desires to implement one track of a modified 45-15 plan. Basic objective is to evaluate the educational progress of students who have volunteered for year-round schooling. Two elementary schools and two junior high schools with a voluntary participation of 420 and 400 students each (approximately) will participate in the program.

4. Elk Grove Unified School District
Elk Grove, California 92624

Mr. Glenn R. Houde, Superintendent

K-12, Enrollment 9,333
During 1972-73, the district will develop, test, and implement (1973-74) a year-round school program for the Elk Grove Senior High School on the 45-15 staggered cycle plan. Increased curriculum flexibility for students; increased options for teachers in training, career planning, and earning capacity are objectives for the plan. Curricular paths traveled by subgroups of students; a computer program capable of creating a master schedule will be developed.

5. Escondido City Elementary School District
Fifth and Maple Streets
Escondido, California 92025

Mr. James M. Slezak, Superintendent

K-8, Enrollment 8,766
Three elementary schools, Conway School (K-6, E:764), Miller Elementary (K-6, E:580), and Rose Elementary (K-6, E:805), will participate in the 45-15 staggered cycle plan. A state-aided district with 2,500 pupils on half-day sessions. District is testing two hypotheses, one with respect to quality of education received; and, second, classroom space utilization under the 45-15 staggered cycle plan.

6. Hayward Unified School District
1099 "E" Street (P. O. Box 5000)
Hayward, California 94541

Mr. Raymond G. Arveson, Superintendent

K-12, Enrollment 26,626
Since 1968, the District has been conducting a four-quarter year-round school operation at the Park School. Evaluation report was presented to the State Board in 1970. Results generally favorable. In 1972, the Sequoia School (K-6, E:521) will enter the four-quarter plan. District attendance is decreasing.

7. Hesperia Elementary School District
16079 Main Street
Hesperia, California 92345

Mr. Howard A. Carmichael, Superintendent

K-6, Enrollment 929
Two elementary schools, Joshua Circle (K-6, E:549) and Juniper Elementary (K-6, E:453), will operate on a 45-15 staggered cycle approach. Classes

will be provided for students electing the traditional school year within the existing schools. District is testing eleven hypotheses.

Mr. Roy C. Hill, Superintendent

The county, in conjunction with the Hesperia Elementary School District, operates a special facility--the Ruth K. Sumey School for Trainable Mentally Retarded Students. Provision for 60 youngsters now exists. The intent is to operate the special education classes on Track A of the proposed Hesperia School District plan. This includes two other special education classes located at the Juniper School.

8. Lakeside Union Elementary School District
12335 Woodside Avenue (P. O. Box 578)
Lakeside, California 92040

Mr. Robert D. Muscio, Superintendent

K-8, Enrollment 3,590
All eight schools will be on a 45-15 staggered cycle approach. This is the first district in California with all of its schools (six elementary schools and two middle schools) on a year-round plan.

9. Ocean View Elementary School District
7972 Warner Avenue
Huntington Beach, California 92647

Mr. Clarence L. Hall, Superintendent

K-8, Enrollment 13,773
Two elementary schools, Westmont Elementary (K-8, E:601) and Crestview (K-8, E:541), will be on the 45-15 staggered cycle plan. Neither school is overcrowded. Full-time equivalent staffing concept and criterion referenced continuum of skills characterize the plan. District desires to "test" the plan.

10. Old Adobe Union Elementary School District
1600 Albin Way
Petaluma, California 94952

Mr. Dean Magowan, Superintendent

K-6, Enrollment 1,529
Anticipated continual growth in the district. Two schools, LaTercera School (K-6, E:725) and Mtuch Valley School (K-6, E:), will be on the 45-15 staggered cycle plan.

11. Pajaro Valley Joint Unified School District
165 Blackburn Street (P. O. Box 630)
Watsonville, California 95076

Mr. John W. Duncan, Superintendent

K-12, Enrollment 19,363
Five schools, Amesti Elementary (K-6, E:501), Calabasas Elementary (K-6, E:394), Freedom Elementary (K-6, E:737), Hyde Elementary (K-6, E:483), and Rolling Hills Elementary (7-8, E:516), will be operating on the 45-15 staggered cycle plan. Intensive community involvement and study characterize the plan.

12. San Diego City Unified School District
4100 Normal Street
San Diego, California 92103

Mr. Thomas L. Goodman, Superintendent

K-12, Enrollment 128,489
Six elementary schools, Balboa (K-6, E:1,017), Brooklyn (K-6, E:909), Curie (K-6, E:1,029), Sequoia (K-6, E:906), Tierrasanta (K-6, E:160), and Weinberger (K-6, E:875), are on the 45-15 staggered cycle plan. Estimated savings, when compared to building and operating a new school of movable classrooms, are approximately $355,230.

13. San Joaquin Elementary School District
14600 Sand Canyon Avenue (P. O. Box 92)
East Irvine, California 92650

Mr. Ralph A. Cates, Superintendent

K-8, Enrollment 9,029
One of the fastest growing districts in the State. A 45-15 staggered cycle plan will be initiated at the El Camino Real School. Current enrollment is housed at the Irvine School (K-8, E:1,087). District desirous of determining educational advantages of this approach, as well as necessary curriculum adjustments and improvements.

14. Santee Elementary School District
9625 Cuyamaca Street (P. O. Box 220)
Santee, California 92071

Mr. Charles E. Skidmore, Superintendent

K-8, Enrollment 6,075
A rapid growth district, establishing a single track 45-15 block-four-quarter approach at the Cajon Park School (K-8, E:950).

15. [illegible] Valley Elementary School District
4750 Date Avenue
LaMesa, California 92041

Mr. James R. Runce, Superintendent

Two elementary schools, Rancho Elementary (K-6, E:741) and LaPresa Elementary (K-6, E:706), plus the LaPresa Intermediate (7-8, E:759), initiated the 45-15 staggered cycle in July 1971. "New housing and anticipated growth, as well as a desire for a better and more continuous education were basic reasons for the district moving with year-round schooling."

16. ABC Unified School District
17923 South Pioneer Boulevard
Artesia, California 90701

Mr. Charles Hutchison, Superintendent

Employing a continuous progress curriculum, the Ferguson School (K-5, E:604) provides flexibility in terms of options for students (parents) and teachers . . . those who prefer the traditional September to June school year may continue on that schedule . . . those who want the 175 days of the traditional year spread out over the calendar year may arrange for this schedule, making for individual choice in selecting vacation dates and . . . for those who want to go to school more than the traditional 175-day year may do so for up to 234 instructional days.

17. Chula Vista Elementary School District
84 East J Street
Chula Vista, California 92012

Mr. Burton C. Tiffany, Superintendent

Faced with reaching the maximum property tax assessment and a growing student population outstripping the district's ability to build, four elementary schools, Hyde-JS. Finney Elementary (K-6, E:729), Silver Wing Elementary (K-6, E:845), Juarez-Lincoln Elementary (K-6, E:956), and the Los Altos Elementary (K-6, E:1,128), initiated the 45-15 staggered cycle plan in July 1971.
